

From the Beginning

Written by Anastasia & Vik Fomenko

Verse 1

You spoke a word into the void and light appeared
You breathed Your breath into mankind and life began

Chorus

From the beginning of time I was made to love You
And all throughout eternity You will be my song

Interlude

You will be my song
You will be my love
You will always be my all

Verse 2

When guilt and sin left me in shame You still pursued
You took my place, defeated death, now I'm made new

Bridge

Hallelujah echoing the sound of heaven
Hallelujah forever glorify
