## Intro

Am

## Verse 1

Am                                 F                         C  
You spoke a word into the void and light appeared  
Am   F                         C  
You breathed Your breath into mankind and life began

## Chorus

G                                 F                         C  
From the beginning of time I was made to love You  
G                                 F                         C     G (repeat / to interlude)  
And all throughout eternity You will be my song

## Interlude

                              Am  
You will be my song  
                              F  
You will be my love  
  C     G  
You will always be my all

## Verse 2

Am                                 F                         C  
When guilt and sin left me in shame You still pursued  
Am   F                         C  
You took my place, defeated death, now I'm made new

## Instrumental

C /// F / C / F / G / C ///

## Bridge

C   F   C   F                 G                 C  
Halle-lu-jah echoing the sound of heaven  
C   F   C   F    G    C  
Halle-lu-jah forever glo-rify
